

WISH Community Elementary School Dress Code 2019-2020 (Grades TK-5)

All students attending WISH Elementary School are required to follow the WISH dress code. A common dress code promotes equity, focus on learning, positive school culture, and the idea that the mind and body are more important than clothing. Additionally, the dress code supports a safe school environment by helping staff to identify children who are - and are not - part of the school community, both on-campus and on field trips.
