

WISH

ACADEMY HIGH SCHOOL

A 9-12 CHARTER SCHOOL

Dear WISH Academy Families,

We are so excited to congratulate all of our scholars and families at WISH Academy on this past week of Virtual Learning! Spring break has begun and we want to ensure that information is shared with you during this time so you feel comfortable before we begin virtual learning once again.

Virtual classes will resume on April 20th, 2020 starting at 8:45 am. The schedule that we have outlined for the past three weeks will continue, see below for the schedule upon our return.

To help provide clarity in a time that can be confusing and challenging, here our [WISH Academy Frequently Asked Questions Fact Sheet](#) to support in answering some common questions about grades and classes (spoiler alert: YES! The assignments and assessments you do during virtual instruction do count toward your course grades, and your classes and grades this semester will count on your transcript and college application!). To help families better understand how grading will be calculated for the Spring semester, we have outlined important information below:

- Considerations will be made to support students in preserving the progress they made prior to school closures and enabling them to demonstrate further learning in ways that are appropriate to their context during distance learning.
- All assignments are still expected to be completed and submitted to ensure that students are achieving full mastery of any given subject.
- Only assignments, tests, and quizzes completed and submitted will be calculated into the final semester two grades.

We want to ensure that students are receiving excellent instruction, access to learning, and continuous support in education during this time, please continue to have your child hand in all assignments, take all online quizzes and complete online assessments. Homework is not assigned during our virtual instruction, however, assignments are still expected to be completed. All of your child's hard work will matter and make a difference to their future.

Please do not hesitate to reach out with any questions you might have and keep safe and healthy over the two-week break. We can't wait to see you when school begins again!

Warm Regards,
Principal Mowll

HS Virtual Learning Schedule 4/20-4/24/2020				
Week 1 April 20-April 24th, 2020				
Monday	Tuesday	Wednesday	Thursday	Friday
