

WISH

A WHOLE SCHOLAR APPROACH TO EDUCATION

Dear WISH Academy High School Families,

I want to start by saying thank you so very much. I am incredibly thankful for the kind words and supportive partnerships you have shared with our faculty and staff throughout this year and especially during this challenging time. Thank you for being flexible, thank you for being positive, and thank you for being great partners in your child's education! The past 24 hours have been interesting, challenging, and unique and you have all been wonderful in working with our staff regarding all of the changes we have had to make at the last minute. I also want to highlight our hardworking and dedicated staff who have "rolled with the punches" to prepare for school facility closure. This is a true community and I could not be more impressed!

If you were unable to stop by WISH today to pick up your child's Chromebook and/or work packet, please email your child's teacher about the best way for your child to participate in the virtual classroom beginning on Monday.

Please review this [document](#) as it is full of useful information and resources that will help support your child's learning from home. We understand this is a challenging time and a new experience for everyone, but we hope to give you the most support possible through this journey.

Please reach out to me should you have any questions!

Sincerely,

Principal Mowll
