

WISH

A WHOLE SCHOLAR APPROACH TO EDUCATION

Dear WISH Academy Families and Staff,

Thank you for all of your participation in our first (almost) full week of virtual learning! Thank you for sending positive praise and feedback to uplift our staff as they have transitioned into a virtual classroom experience. We are grateful for the constructive feedback as well because it helps us to understand what you are experiencing at home so we can make adjustments to ensure this experience is positive and successful for everyone!

Please review our [You Said, We Did Document](#) to read all of the successes parents and staff have shared with us, along with any challenges that have occurred.

Important Announcement:

Based on all of the feedback we have received from students, staff, families, and community stakeholders, there will be a **SCHEDULE CHANGE** for virtual learning starting on Monday, March 23rd, 2020. The [new schedule can be downloaded](#) here and is also posted at the bottom of this message. We want to emphasize that instructional time for students will continue to be maintained to meet state expectations and Common Core Standards in all subjects. All of our teachers will work just as hard as they always have to make sure that full teaching and learning takes place in our virtual classrooms, learning maintains rigor, and assignment expectations remain high throughout this change.

What you will see:

- Adjusted online class periods to support strong learning environment to ensure the meeting of expectations and content standards in all lessons
- Optional Office hours to support student learning will be extended to a two hour period after classes end to support students with accurate information, guidance, feedback, and grading
- An instructional Day ending at 1:00pm to allow students to have work completion based on their needs, their schedules, and their daily home lives.

Please remember to submit all tech requests and feedback through this website: planetbravo.com/assist.

We also want to support you in additional ways to ensure excellent learning takes place during this time. If you need something to support the continuity of learning, please complete the [Student Supplies and Materials Request Form- Virtual Learning](#) below so that we can support your family. Please only make requests for items that you absolutely need so we can make sure that folks who need tools and support can receive it quickly!

Lastly, a reminder that we will not be in session on Tuesday, March 31st, in recognition of Cesar Chavez Day nor will we be in session between April 6-17th for Spring Break.

Please let me know if you have any questions. Thank you again for your patience and collaboration this week! Here's to a fantastic week 2!

Best,

Principal Mowl
