

# WISH

A WHOLE SCHOLAR APPROACH TO EDUCATION

Dear WISH Faculty and Staff,

Thank you for making this week amazing! We very much appreciate all that you have done to support the continuity of learning this past week! The WISH families and children are grateful for your incredible efforts to reach and teach the young people we serve!

Given the Mayor's Safe At Home order, we encourage everyone to remain home tomorrow to conduct your teaching. If you need to get something from the campuses then you can come between the hours of 7:30 and 8:30 to pick up any materials that you need to teach. We are also happy to deliver things to your homes if that is helpful. If there is something specific that you need from your classroom beginning on 3/23/20 during our Safer at Home Orders from the mayor please send your request to Ms. Jade at [jade@wishcharter.org](mailto:jade@wishcharter.org) and she will work to ensure that the item gets to you as soon as possible.

Thank you for working with your principals to make adjustments to our virtual learning schedules! These confidential schedules will be shared with families tomorrow and they will begin next Monday, 3/23/20.

We will continue to support you in optimizing your current internet access at home. Please fill out the technology form via this link - [Technology Information Survey](#). The information shared in this form is being used to contact folks and support them in having the right cables, adapters, and speed with your internet so that you can be successful with remote teaching at home. This morning we were able to bring several teachers adapters and cables as well as coach a few folks through upgrading their internet. If you upgrade your internet and can demonstrate that you are spending more to optimize your internet WISH will reimburse you the difference up to \$50 per month while we are all working from home.

Thank you for being amazing and helping to keep kids safe and learning during this very unique time! You are making a difference in their lives each day!

With gratitude,

Shawna Draxton

Executive Director

WISH Community School & WISH Academy High Schools
