She does recommend that we consider applying for the waiver to serve meals if we want to be able to offer sack meals or other food options from our site if the school remains closed. At this time, the waiver is valid only until June 30, but she anticipates if this continues, that waiver may be extended into August or September. If we are approved for the waiver, we need not act upon it, but it does give us the option to serve meals.</p> <p>5/14/20-New lunch contracts for 20/21 school year being reviewed at board mtg.</p> <p>-Once new vendor is identified and approved WISH will begin serving meals daily, including during summer and ESY programs</p>
