V. AGENDA

A. Reports of Officers and Committees

1. President and Vice President (Dr. Michelle Windmueller, Dr. Danelle Fisher)
   a. Retrospective of 2017-2018
      i. Strengths - recruited new board members with a variety of expertise. Solidified our commitment to LMU with MOU. Worked with Dr. Shawna Draxton to support the three schools.
      ii. Areas of Needed Growth - Need to work on development including finding a lease or a new building, also need to strategically plan our committees at our board retreat scheduled for 08/09/18 from 1-7 pm.
      iii. Board Self-Assessment - most board members have completed but there were a couple of people who have been unable to complete it. Michelle Windmueller will be collecting the data and presenting it at the August Board meeting.

2. Facilities Committee (Suzanne Goldstein, Matthew Swanlund, Dr. Michelle Windmueller)
   a. Facilities update - Prop 39 Offer for WISH MS - Dr. Shawna Draxton reports that we are in negotiation with the district to get the 3 special education classrooms needed for the middle school moving to the WESM campus. Site level administrators are not willing at this point to give the middle school those three classrooms but there are people who are working on making sure we can get the rooms we need. Will consider a letter writing campaign with parent support if need be but will await the final decision.

3. Executive Committee (Dr. Fisher, Suzanne Madison Goldstein, Dr. Michelle Windmueller) - General updates
a. Board Retreat - August 9, 2018 1:00pm - 7:00pm, at Mike Abercrombie’s office near the school. Michelle Windmueller and Mike Abercrombie are preparing agenda, and every committee will be on the agenda.

4. Executive Director Monthly Report (Dr. Shawna Draxton)
   a. Academic Achievement Report - Dr. Draxton explained how there will be professional development for the teachers throughout the summer and will be getting leadership support. SBAC results coming in, full update at the next board meeting.
   b. School Climate and Culture - 1) LMU Affiliation: Awaiting confirmation of renewal of shared salaried liaison position. 2) Annual Performance-based oversight review of WISH Academy was reviewed and comments were made to bring us up to the highest level in every category, but overall the assessment was positive. There were no corrective actions to be taken. 3) WISH has received several grants including through MTSS with LMU.
   c. Human Capital - There will be a compensation committee with teachers and board members in order to solidify plans. The team will develop a conceptual approach to compensation to be presented to the board on 8/9 at the retreat, with a previous meeting with board members and teachers (set for 7/18). Prior to that, Shawna and Ben will survey the teachers to get their preferences about this approach.

5. Finance Committee/ExED (Jennie Brook, Samira Estilai, Taurean Gordon)
   a. Review of Financial Dashboards for Elementary and Middle Schools - No dashboards available since we are awaiting the total data from May to close out the month.
   b. Cash Flow Status Report - school’s cash position is strong and we are not holding any accounts payable, as reported by Samira Estilai.

1. **LCAP** - Review and Vote on Proposed Local Control Accountability Plan (Jennie Brook/Taurean Gordon) - Discussion and review of draft LCAP for Community School and HS. Miles Remer moved to adopt the LCAP for both schools, seconded by Dr. Danelle Fisher. A discussion occurred regarding the scrutiny with which we have looked at the document and it was noted by Jennie Brook that this year’s LCAP is not significantly different from the previous year’s LCAP and it is a 3-year document. Motion passed with unanimous approval.

2. **2018-19 Budget and Education Protection Account Spending Plan** - Review and Vote on Proposed Plan (Samira Estilai) - Budget was reviewed including a state budget update and an overall budget plan, also a review of LCFF and other revenues, staffing, teacher salaries, student supplies, operating expenses and cash flow. Ben and Miles posed several questions regarding the overview and enrollment. Board members all discussed sustainability over the out years. Samira then presented the EPA as a part of the budget. with unanimous approval.

We are not shopping for this year for other contracts but we may consider shopping the contracts in the future and we will be reviewing contracts in May next year in order to have a more thorough evaluation. Motion was made to accept all of the vendor contracts except for Outsource by Miles Remer and seconded by Vicki Graf. Motion passed with unanimous approval. Outsource (CST IT) will be looked at and reviewed at the August date. Our lawyers on the board will vet all contracts in the future.

6. Permission to Open a Stock Bank Account - Discussion and Vote (Jennie/Taurean) – Drs. Michelle Windmueller and her husband, Steven will be making a $10,000 gift to WISH. She would like to have the gift in the form of a brokerage account, which can be used for future donations by other benefactors. Miles Remer needs to be recused from the vote due to his position with his company which creates a conflict of interest. Motion made to open a brokerage account by Dr. Vicki Graf and seconded by Ben Tysch. The motion passed with a unanimous vote.

7. Board of Directors’ Elections - Vote for President, Vice President, Secretary, Treasurer (Suzanne Madison Goldstein) - Annual
