## INDEPENDENT AUDITOR'S REPORT

Governing Board  
Westside Innovative School House  
(A California Nonprofit Public Benefit Corporation)  
Los Angeles, California

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Westside Innovative School House (the Charter School) (A California Nonprofit Public Benefit Corporation), which are comprised of the statement of financial position as of June 30, 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the *2016-2017 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, issued by the California Education Audit Appeals Panel as regulations. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Charter School's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Charter School's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Charter School, as of June 30, 2017, and the changes in its net assets, and its cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

***Other Matters***

***Other Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information as listed on the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements.

The accompanying supplementary information is the responsibility of management, and was derived from, and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated November 16, 2017, on our consideration of the Charter School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Charter School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Charter School's internal control over financial reporting and compliance.

**NOTE 1 - ORGANIZATION AND MISSION**

**Westside Innovative School House**

Westside Innovative School House (WISH) is a California non-profit corporation specifically organized to operate public charter schools. The initial charter petition was approved by the Los Angeles Unified School District (the District) for five years commencing July 1, 2010. On November 18, 2014, the District's Governing Board voted to renew WISH for a five-year term effective July 1, 2015 through June 30, 2020. WISH receives most of its support from the Federal, State, and local governments directly or through the District. Although WISH is a part of the sponsoring district, it is considered independent from the District because all decisions, including curriculum and those regarding management and the use of funds, are made at the school level. WISH operates two school sites in 2016-2017 located in Los Angeles, California at 6550 W. 80<sup>th</sup> Street and 7615 Cowan Avenue.

**Westside Innovative School House Charter Elementary School**

Westside Innovative School House Charter Elementary School (the Elementary School) was numbered by the California State Board of Education on November 19, 2009, and began on September 7, 2010, and currently serves 520 students in transitional kindergarten through sixth grade.

Charter School number authorized by the State: 1149

**Westside Innovative School House Charter Middle School**

Westside Innovative School House Charter Middle School (the Middle School) was numbered by the California State Board of Education on January 16, 2014, and began on August 18, 2014, and currently serves 158 students in seventh through eighth grade.

Charter School number authorized by the State: 1627

**WISH Academy High School**

WISH Academy High School was numbered by the California Board of Education on May 10, 2017, and will begin serving students on August 16, 2017, in ninth grade. The school site will be located in Los Angeles, California at 7400 W. Manchester Avenue.

Charter school number authorized by the State: 1863

**Other Related Entities**

**Joint Powers Agency and Risk Management Pools** - The Charter School is associated with the California Charter Schools Joint Powers Authority (CCS-JPA) *dba* CharterSAFE. CharterSAFE does not meet the criteria for inclusion as a component unit of the Charter School. Additional information is presented in Note 13 to the financial statements.

**Mission and Philosophy**

The WISH mission is to maximize every scholar's learning potential within an atmosphere of caring and belonging. The WISH instructional philosophy rests upon the concepts of hands on learning, meaningful instructional activities, systematic instruction, and a collaborative group of professionals working together to make the learning environment exciting for students. Evidence-based teaching strategies are tailored to meet individual development.

***NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES***

The significant policies followed by WISH are described below to enhance the financial statements.

**Financial Statement Presentation**

WISH is required to report information about its financial position and activities in three classes of net assets: unrestricted, temporarily restricted, and permanently restricted net assets. WISH had no temporarily restricted and permanently restricted net assets, as of June 30, 2017. In addition, WISH is required to present a statement of cash flows.

**Accounting Method - Basis of Accounting**

The financial statements were prepared in accordance with accounting principles generally accepted in the United States of America as applicable to not-for-profit organizations. Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported on the financial statements. Basis of accounting relates to the timing of measurement made, regardless of the measurement focus applied. WISH uses the accrual basis of accounting. Revenues are recognized when they are earned and expenses are recognized in the accounting period in which the liability is incurred.

**Revenue Recognition**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted depending upon the existence and/or nature of any donor restrictions.

All donor-restricted contributions are recorded as increases in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, either by the passage of time or the purpose is satisfied, the temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as "net assets released from restrictions." During 2016-2017, WISH did not receive donor-restricted contributions.

**(A California Nonprofit Public Benefit Corporation)**

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2017**

---

**Income Taxes**

WISH is a non-profit public benefit corporation that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. It is also exempt from State franchise and income taxes under Section 23701(d) of the California Revenue and Taxation Code. Accordingly, no provision for income taxes has been reflected in these financial statements. Income tax returns for 2013 and forward may be audited by regulatory agencies, however, WISH is not aware of any such actions at this time.

WISH has adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740 that clarifies the accounting for uncertainty in tax positions taken or expected to be taken on a tax return and provides that the tax effects from an uncertain tax position can be recognized in the financial statements only if, based on its merits, the position is more likely than not to be sustained on audit by the taxing authorities. Management believes that all tax positions taken to date are highly certain, and, accordingly, no accounting adjustment has been made to the financial statements.

**Cash**

For purposes of the Statement of Cash Flows, WISH considers all cash on hand and in banks.

**Accounts Receivable**

Accounts receivable are stated at the amount management expects to collect from the outstanding balance. Management provides an analysis of the probable collection of the accounts through a provision for bad debt expense and an adjustment to a valuation allowance. At June 30, 2017, management had determined that all accounts receivable are fully collectible, and no allowance for bad debts has been established.

**Prepaid Expenses**

Prepaid expenses represent amounts paid in advance of receiving goods or services. WISH has reported prepaid items either when purchased or during the benefiting period. Security deposits represent amounts paid per the rental agreement of facilities that will not be returned within one year and are recorded as non-current assets.

**Intra-company Receivable/Payable**

Intra-company receivable/payable results from a net cumulative difference between resources provided by the Charter Elementary School to the Charter Middle School and reimbursement for those resources.

**WESTSIDE INNOVATIVE SCHOOL HOUSE**  
**(A California Nonprofit Public Benefit Corporation)**

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2017**

---

**Fixed Assets**

It is WISH's policy to capitalize individual property and equipment purchases over \$1,000. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Leasehold improvements, furniture, and equipment are depreciated using the straight-line method, over 3 to 39 years. Depreciation expense for the year ended June 30, 2017, was \$36,340.

**Deferred Revenue**

Deferred revenue arises when potential revenue does not meet both the "measurable" and "available" criteria for recognition in the current period or when resources are received by WISH prior to the incurrence of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met, or when WISH have a legal claim to the resources, the liability for deferred revenue is removed from the balance sheet and revenue is recognized. Certain grants received before the eligibility requirements are met are recorded as deferred revenue.

**Donated Services, Goods, and Facilities**

A substantial number of volunteers have donated their time and experience to WISH's program services and fundraising campaigns during the year. However, these donated services are not reflected in the financial statements since there is no readily determined method of valuing the services.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Significant estimates include the value of the beneficial interest in a charitable remainder trust.

**Unrestricted/Designated Net Assets**

Designations of the ending net assets indicate tentative plans for financial resource utilization in a future period. As of June 30, 2017, WISH had a designated balance of \$4,693 for Educator Effectiveness funding.

**California School Finance Authority Revolving Loan Fund Program**

During the 2010-2011 fiscal year, the WISH Charter Elementary School applied for, and was accepted into the California School Finance Authority Revolving Loan Fund Program. The WISH Charter Elementary School received a loan in the amount of \$100,000. The loan bears an interest rate of 0.54 percent and will be repaid during the months of August, September, October, November, December, and January of each year. The loan is scheduled to be repaid over a period of five years and the repayments will be withheld from the apportionment payments due to the WISH Charter Elementary School. At June 30, 2017, there is no remaining balance.

During the 2013-2014 fiscal year, WISH Charter Middle School applied for, and was accepted into the California School Finance Authority Charter School Revolving Loan Fund Program. The WISH Charter Middle School received a loan in the amount of \$250,000. The loan bears an interest rate of 0.22 percent and will be repaid during the months of September, October, November, December, January and March of each year. The loan is scheduled to be repaid over a period of five years and the repayments will be withheld from the apportionment payments due to WISH Charter Middle School.

Future Payments are as follows:

June 30, 2017, the outstanding balance of the loan for WISH Charter Elementary School is \$107,500 and WISH Charter Middle School is \$17,500.

***NOTE 11 - OPERATING LEASES***

For the 2016-2017 fiscal year, WISH Charter Elementary School entered into a lease agreement with LAUSD for the use of one of their school sites for WISH Charter Elementary School. The location is at Orville Wright Engineering and Design Magnet and the pro rata share charge for the use of the site will be \$222,210.

For the 2016-2017 fiscal year, WISH Charter Elementary School for grade 6 and WISH Charter Middle School entered into a lease agreement with LAUSD for the use of one of their school sites for WISH Charter Middle School. The location is at Cowan Elementary School and the pro rata share charge for the use of the site will be \$50,179.

During the fiscal year, WISH Academy High School entered into a one-year lease agreement with Los Angeles Unified School District in which the school would occupy Westchester Enriched Science Magnet School (School Site) the for its campus location for the pro rata share amount of \$78,295. Lease payments began July 1, 2017.

***NOTE 12 - EMPLOYEE RETIREMENT SYSTEMS***

Qualified employees are covered under multiple-employer defined benefit pension plans maintained by agencies of the State of California. Academic and classified employees are members of the California State Teachers' Retirement System (CalSTRS) or are covered by a 403(b) Tax Deferred Annuity Plan (TDA).

The risks of participating in this multi-employer defined benefit pension plan is different from single-employer plans because: (a) assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and State contribution rates are set by the California Legislature, and (c) if the Charter School chooses to stop participating in the multi-employer plan, it may be required to pay a withdrawal liability to the plan. The Charter School has no plans to withdraw from this multi-employer plan.

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2017**

---

The details of each plan are as follows:

**California State Teachers' Retirement System (CalSTRS)**

**Plan Description**

The Charter School contributes to the State Teachers Retirement Plan (STRP) administered by the California State Teachers' Retirement System (CalSTRS). STRP is a cost-sharing multiple-employer public employee retirement system defined benefit pension plan. Benefit provisions are established by State statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2016, total actuarial value of assets are \$170 billion, the actuarial obligation is \$267 billion, contributions from all employers totaled \$3.3 billion, and the plan is 63.7 percent funded. The Charter School did not contribute more than five percent of the total contributions to the plan.

A full description of the pension plan regarding benefit provisions, assumptions (for funding, but not accounting purposes), and membership information is listed in the June 30, 2015, annual actuarial valuation report, Defined Benefit Program Actuarial Valuation. This report and CalSTRS audited financial information are publically available reports that can be found on the CalSTRS website under Publications at:

<http://www.calstrs.com/member-publications>.

**Benefits Provided**

The STRP provides retirement, disability and survivor benefits to beneficiaries. Benefits are based on members' final compensation, age and years of service credit. Members hired on or before December 31, 2012, with five years of credited service are eligible for the normal retirement benefit at age 60. Members hired on or after January 1, 2013, with five years of credited service are eligible for the normal retirement benefit at age 62. The normal retirement benefit is equal to 2.0 percent of final compensation for each year of credited service.

The STRP is comprised of four programs: Defined Benefit Program, Defined Benefit Supplement Program, Cash Balance Benefit Program and Replacement Benefits Program. The STRP holds assets for the exclusive purpose of providing benefits to members and beneficiaries of these programs. CalSTRS also uses plan assets to defray reasonable expenses of administering the STRP. Although CalSTRS is the administrator of the STRP, the State is the sponsor of the STRP and obligor of the trust. In addition, the State is both an employer and nonemployer contributing entity to the STRP.

The Charter School contributes exclusively to the STRP Defined Benefit Program, thus disclosures are not included for the other plans.

The STRP provisions and benefits in effect at June 30, 2017, are summarized as follows:

	<u>STRP Defined Benefit Program</u>	
	On or before December 31, 2012	On or after January 1, 2013
Hire date	December 31, 2012	January 1, 2013
Benefit formula	2% at 60	2% at 62
Benefit vesting schedule	5 years of service	5 years of service
Benefit payments	Monthly for life	Monthly for life
Retirement age	60	62
Monthly benefits as a percentage of eligible compensation	2.0% - 2.4%	2.0% - 2.4%
Required employee contribution rate	10.25%	9.205%
Required employer contribution rate	12.58%	12.58%
Required state contribution rate	8.828%	8.828%

**Contributions**

Required member, Charter School and State of California contributions rates are set by the California Legislature and Governor and detailed in Teachers' Retirement Law. The contributions rates are expressed as a level percentage of payroll using the entry age normal actuarial method. In accordance with AB 1469, employer contributions into the CalSTRS will be increasing to a total of 19.1 percent of applicable member earnings phased over a seven-year period. The contribution rates for each plan for the year ended June 30, 2017, are presented above and the Charter School's total contributions were \$358,237.

**On Behalf Payments**

The State of California makes contributions to CalSTRS on behalf of WISH. These payments consist of State General Fund contributions to CalSTRS in the amount of \$154,826 (8.828 percent of the Charter School's salaries subject to CalSTRS). Under accounting principles generally accepted in the United States of America, these amounts are to be reported as revenues and expenditures. Accordingly, these amounts have been recorded in these financial statements.

**403(b) Tax Deferred Annuity Plan**

WISH established a classified employee 403(b) retirement plan (the Plan) effectively on January 1, 2014, which is a defined contribution pension plan. A defined contribution pension plan provides pension benefits in return for services rendered, provides an individual account for each participant, and specifies how contributions to the individual's account are to be determined instead of specifying the amount of benefits the individual is to receive. Under a defined contribution pension plan, the benefits a participant will receive depend solely on the amount contributed to the participant's account, the returns earned on investments of those contributions, and forfeitures of other participants' benefits that may be allocated to such participant's account. In accordance with the terms of the Plan, all eligible employees can make pre-tax deferral contributions and/or Roth deferral contributions. Employers may make a discretionary matching contribution equal to a uniform percentage or dollar amount of effective deferrals up to six percent of each participant's compensation.

There are no excluded employees with regard to elective deferrals while certificated employees are excluded from matching contributions. WISH defines employees for discretionary employer matching contributions as employees who are 21 years of age, employed for a period of 90 days and are not participants of California State Teachers Retirement System (CalSTRS).

For eligibility of matching contributions, an employee must complete 1,000 hours of service during the relevant eligibility computation period to receive a credit for one year of service.

During the fiscal year ended June 30, 2017, WISH contributed \$9,264 which is two percent matching contributions of eligible participants.

***NOTE 13 - PARTICIPATION IN JOINT POWERS AUTHORITY***

WISH is a participant in the California Charter Schools Joint Powers Authority (CCS-JPA) *dba* CharterSAFE for risk management services for workers' compensation insurance. The relationship between WISH and CharterSAFE is such that CharterSAFE is not considered a component unit of the Charter School for financial reporting purposes.

CharterSAFE has budgeting and financial reporting requirements independent of member units and CharterSAFE's financial statements are not presented in these financial statements; however, transactions between CharterSAFE and the Charter School are included in these statements. Audited financial statements for CharterSAFE were not available for fiscal year 2016-2017 at the time this report was issued. However, financial statements should be available from the respective agency.

During the year ended June 30, 2017, the Charter School made payments of \$87,242 to CharterSAFE for service related to workers' compensation and liability insurance. At June 30, 2017, the Charter School had no recorded accounts receivable or accounts payable to CharterSAFE.

***NOTE 14 - LEGAL SETTLEMENTS***

WISH and the District have a Memorandum of Understanding that requires both WISH and the District to be named as respondents in any due process proceeding initiated by a parent or guardian of a WISH student.

These financial statements include an accrual of \$36,000 reported as current portion of long-term obligations and for a settlement agreement entered into in a prior year. WISH has agreed to pay back the settlement and has made required payments as outlined in the agreement.

***NOTE 15 - CONTINGENCIES***

**Grants**

WISH has received State and Federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any reimbursement, if required, would not be material.

**Litigation**

WISH is not currently a party to any litigation.

***NOTE 16 - SUBSEQUENT EVENTS***

WISH's management has evaluated events or transactions that may occur for potential recognition or disclosure in the financial statements from the balance sheet date through November 16, 2017, which is the date the financial statements were available to be issued. Management has determined that there were no subsequent events or transactions, other than those noted below, that would have a material impact on the current year financial statements.

On June 29, 2017, the Governing Board of Westside Innovative School House approved to finalize the merger of the Elementary School to the Middle School. WISH Charter Elementary School will be the "Closing School". The expected date for completion of the merger is July 1, 2017.

***NOTE 17 - CLOSEOUT PROCEDURES***

As of June 30, 2017, the Board of the Westside Innovative School House voted to close Westside Innovative School House (WISH) Elementary School (Charter #1149), effective June 30, 2017, and merge the students in grades kindergarten through sixth into WISH Middle School (Charter #1627) to increase efficiency. The process of the final financial closure is subsequent to June 30, 2017. As part of the final audit, Westside Innovative School House is required to determine the net assets or liabilities and disclose required information.

1. WISH Elementary School has an operating surplus of \$142,686 in the 2016-2017 fiscal year and net assets of \$636,146 as of June 30, 2017;
2. WISH Elementary School has \$50,674 of outstanding restricted California Clean Energy Jobs Act funds due back to government agencies;
3. In accordance with the approval of the Board of Directors dated June 29, 2017, WISH Middle School will accept all assets and liabilities of WISH Elementary School;
4. No donated materials and property were required to be returned;
5. A formal plan to resolve the transferring of all remaining assets and liabilities of WISH Elementary School will be completed during the 2017-2018 fiscal year.

***NOTE 1 - PURPOSE OF SUPPLEMENTARY SCHEDULES***

**Local Education Agency Organization Structure**

This schedule provides information about the schools boundaries, schools operated, members of the governing board, and members of the administration.

**Schedule of Average Daily Attendance**

Average daily attendance (ADA) is a measurement of the number of pupils attending classes of the Charter School. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of State funds are made to local education agencies. This schedule provides information regarding the attendance of students.

**Schedule of Instructional Time**

This schedule presents information on the amount of instructional time offered by WISH and whether WISH complied with the provisions of *Education Code* Sections 46200 through 46206, if applicable.

WISH must maintain their instructional minutes at the 1986-87 requirements, as required by *Education Code* Section 46201.

**Reconciliation of Annual Financial Report With Audited Financial Statements**

This schedule provides the information necessary to reconcile the fund balance of all funds reported on the Unaudited Actual Financial Report to the audited financial statements.

***INDEPENDENT AUDITOR'S REPORTS***

---

---

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Governing Board  
Westside Innovative School House  
(A California Nonprofit Public Benefit Corporation)  
Los Angeles, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Westside Innovative School House (the Charter School) which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and cash flows for the fiscal year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 16, 2017.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Charter School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Charter School's internal control. Accordingly, we do not express an opinion on the effectiveness of the Charter School's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Charter School's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Charter School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Charter School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Charter School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITOR'S REPORT ON STATE COMPLIANCE

Governing Board  
Westside Innovative School House  
(A California Nonprofit Public Benefit Corporation)  
Los Angeles, California

### **Report on State Compliance**

We have audited Westside Innovative School House's (WISH) compliance with the types of compliance requirements as identified in the *2016-2017 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, that could have a direct and material effect on each of the WISH's State government programs as noted below for the year ended June 30, 2017.

### ***Management's Responsibility***

Management is responsible for compliance with the requirements of State laws, regulations, and the terms and conditions of its State awards applicable to its State programs.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance of each of WISH's State programs based on our audit of the types of compliance requirements referred to above. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the *2016-2017 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. These standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a material effect on the applicable government programs noted below. An audit includes examining, on a test basis, evidence about WISH's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinions. Our audit does not provide a legal determination of WISH's compliance with those requirements.

### ***Unmodified Opinion on Each of the Programs***

In our opinion, WISH complied, in all material respects, with the compliance requirements referred to above that are applicable to the government programs noted below that were audited for the year ended June 30, 2017.

**Other Matters**

In connection with the audit referred to above, we selected and tested transactions and records to determine the Charter School's compliance with the State laws and regulations applicable to the following items:

	Procedures Performed
<b>LOCAL EDUCATION AGENCIES OTHER THAN CHARTER SCHOOLS</b>
